Confirmation

Material: RÄUCHERGOLD® all grade

This is to certify that our product RÄUCHERGOLD® - Oak /beech wood chips for smoking- are made of oak / beech wood (*Quercus robur/ Fagus Sylvatica L.*). The country of origin for the raw material is Germany.

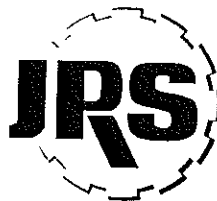

With the comminution and factitious subsequent drying of the product with + 120° C (duration: 4 hours in bulk substance, not in bags) are obtained so that it can be guaranteed that the wood chips are free from hazardous plant diseases and vermines and that the plant protection regulations of the import country are fulfilled.
